**Instruction:** Choose two short stories from the following four short stories and tell them fluently. Then answer the questions that follow each short story orally.

### Story No. 1: An Old Man

- 1- To what extent does the advertisement have impact on people?
- 2- What was the old man's intention in seeing the doctor?
- 3- What was the old man's attitude toward life and the people around him?
- 4- How does the writer try to show this old man's sense of possession compared to others?
- 5- Why is he so interested in the health bill of other old people in that neighborhood?
- 6- Concerning the seventeen old people living in the same area, the author uses the word "experiment field". Does this have anything to do with the author's attitude toward life?
- 7- Did the first report of death scare the man?
- 8- What about the second case?
- 9- How could the death of a person make this old man feel amused?
- 10- Why did the last death report make this old man feel so surprised?
- 11- Did the last death report scare him?
